

# MARCHINGTON SHOP

## Shareholder Application

Since we opened the shop in November 2020, we have offered our supporters the option of purchasing shares in this community-run business. The benefits of being a shareholder are:

- Investing in our community and keeping the community shop going
- Keeping up to date with shop news by email (if you wish)
- Ability to shape and vote on the future of the community shop
- Voting rights at the Annual General Meeting

Each share costs £20 and is limited to one per person. Households can show their support by having a share for each person. You don't need to live in the village to show your support: several Shareholders have become so through being gifted by a relative or friend.

To buy a share:

1. Complete this form (one per person please)
2. Return it to the shop for the attention of Liz Morgan or via [info@marchingtonshop.co.uk](mailto:info@marchingtonshop.co.uk)
3. Pay the £20 cost by making a single payment by BACs to Marchington Community Shop Ltd, account number 65680902 sortcode 08-92-99 (please use your name and 'SH' as a reference), or by cash into the shop for attention of Liz, with completed form
4. We will confirm your purchase on receipt

The shop operates under the Industrial and Provident Society Acts. Shareholders' liability is limited and your share cannot be sold, or redeemed.
